James Couri Chapter 7  
6:14-bk-12555-WJ

James Couri being duly sworn declares as follows:

1. I am the Debtor, not a lawyer, and am self-represented herein. I make this Declaration seeking an immediate Stay of all proceedings in this Case for the following reasons. (An out of state lawyer who is an old friend has assisted me in the preparation of this Document and my Motion to the New York Appellate Division 1st Dept).

2. I filed the Petition on 2-28-14 in an attempt to consolidate two Cases in New York Supreme Court involving Claims against a John Siebert and his PC (collectively "Siebert"). I have been seriously ill and under constant medical attention for many years and have chronic cardiac disease and arterial blockages with 8 stents. I have been in cancer treatment since 2006 for stage four melanoma cancer. I have presented this Court with evidence of these medical issues. I have not been able to travel since 2008. I undergo PET-CT Scans every three months to monitor any progression of cancer.

3. On June 2, 2014 a Pet-CT Scan revealed active and recurring stage four melanoma cancer. On or about June 27, 2014 I underwent surgery to remove one tumor which further confirmed stage four cancer. These Medical Records are before the Court. I am now undergoing highly toxic Chemo-Infusion Cancer Treatments which have a debilitating effect on my physical and mental capacities. On Aug 11, 2014 I wrote a letter to the Court, attached here explaining these matters in detail. I also have a Motion pending to Dismiss this Case as I am gravely ill and self represented. The Siebert activity is a vendetta for my aiding in the

1  
2 exposing of Siebert as a perjurer, a morally unfit doctor, a sex pervert and a thief. Siebert  
3 admits that he owes me a fortune and simply has avoided paying his obligations for years by  
4 hiring shady lawyers to intimidate and extort me and his other victims that Siebert has robbed  
5 and-or sexually abused.  
6

7  
8 4. It is now clear that I am not physically or mentally able to represent myself as a result of  
9 my cancer treatment and I require time to undergo treatment and additional surgeries.  
10

11  
12 5. Further to that, I have requested a Dismissal of this Case outright. Other than my Claims  
13 against Siebert, this is a “no asset case”. I had hoped that the Siebert matters would be  
14 Removed to this Court in the interest of Justice, for resolution. Siebert has his own agenda  
15 and I cannot focus on these matters while facing death. I surely cannot travel to New York.  
16

17  
18 6. As far as I am concerned, Siebert is a nationally known thief and “morally unfit” pervert.  
19 He has been exposed as a narcotics salesman, a morally-unfit doctor and a pedophile. No  
20 legitimate hospital on the planet would have him on staff even as a porter. Siebert has  
21 admitted to abusing sexually and financially many patients and others. He has been evicted  
22 out of many medical offices and fired by every hospital affiliation he ever had in NY.  
23 Siebert’s list of vocal Victims has grown and Siebert’s attempt to “gag” them has not been  
24 successful. Siebert has been literally thrown on the street by landlords Brown Harris Stevens  
25 and others. The man is a menace, a disgrace and a sociopath whose day of reckoning is yet to  
26  
27  
28

1  
2 come. I need time to regain my physical strength and mental clarity in order to protect my  
3 rights and seek justice. I am presently severely debilitated and unable to function properly.  
4

5  
6 7. Accordingly, I ask that this Court Stay these matters to allow me to deal with my medical  
7 care.  
8

9  
10 8. The fact is Siebert is not a bona-fide creditor here and his Adv-Proc is replete with self-  
11 serving lies without any evidence other than an incorrect list of sums supposedly paid to  
12 companies (none to me) that Siebert was a control person and who were Released. Siebert is  
13 listed in the Petition as a "disputed creditor"; his claim as "creditor" I have disputed with  
14 Evidence.  
15

16  
17 9. The "Remanding" to NY Court of the Siebert matters where Siebert has no nexus and  
18 where I cannot even remotely defend myself or prosecute my claims would be a gross  
19 miscarriage of justice and have a devastating negative effect on me and the legitimate  
20 Creditors of this Bankruptcy.  
21

22  
23 10. I ask that the Court Stay any determination on the Siebert Remand Motion until my  
24 medical situation is resolved and my "Objections to the Siebert Claims" resolved or this Case  
25 is Dismissed. I also need the time to try to seek the retention of legal counsel as the entire  
26 Siebert situation gives rise to very serious concern.  
27  
28

1  
2  
3 11. The US Bankruptcy Court is not supposed to be used as a platform by a admitted and  
4 proved liar "Siebert" to engage in trickery, vendettas, retaliation, perjury and extortion of a  
5 debtor in a no asset case while scheming to avoid paying his obligations.  
6

7  
8 12. One can only ask why lawyer Richardson would file a false Adv. Proc. and other  
9 Documents without any basis in fact or law, and that are simply "made-up" to defend Siebert,  
10 a disgraced doctor and an admitted predator who was "evicted" out of New York and  
11 Suspended as a doctor for abusing patients and worse. Lawyer Richardson's Adv. Proc. is  
12 replete with lies and hearsay, and continues to paper-blitz to harass and annoy an ill, 75-year  
13 old bankrupt. Would not a Hearing to establish the truth be in order when I am physically  
14 and mentally able to protect myself?  
15  
16

17  
18 13. I recently Filed a Motion at the App Div 1st Dept. in NY seeking an enlargement of time  
19 to perfect my Appeal in Case # 107240-04 of the JSC Wooten Decision of 12-24-13, the  
20 foundation of the supposed "Inquest" on Siebert's "counterclaims". The fact is Siebert's  
21 "counterclaims" were released, and barred by Statute of Limitations in a Dismissed Case, and  
22 belied by the evidence. (See CPLR 3404, NY Courts).  
23  
24

25  
26 14. The fact is that the JSC Wooten 12-24-13 Decision is so flagrantly unjust that if the Case  
27 is Remanded, I have a friend who will aid me in a Motion for a Stay of any Activity or  
28 "Railroading-Inquest" pending the outcome of my Appeal.

1  
2 15. I apologize for not being able at this time to function in a Court setting and defend  
3 myself.  
4

5 WHEREFORE: I respectfully ask this Court for a Stay of all proceedings for at least 90 days  
6 as I am self represented and cannot properly or at all defend myself due to mental and  
7 physical incapacitation caused by stage four cancer treatment of highly toxic chemo-therapy;  
8 and I respectfully ask this Court to Stay any Decision on "Remand" so that it can be proved  
9 that Siebert is not a Creditor in this Case and that the Siebert-Richardson Adv. Proc. is a  
10 retaliatory scam replete with outright lies.  
11  
12

13  
14 I declare under penalty of perjury under the laws of the United States that the forgoing is true  
15 and correct to the best of my knowledge information and belief.

Ref: Hearing Date

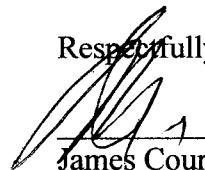

Dear Judge Johnson:

I am undergoing very toxic and debilitating Chemo-Infusion treatment at UCLA. The effects of the drugs have resulted in my mental and physical abilities being adversely impacted. One of the drugs I am being administered is "Yervoy-Ipilimumab". As the Court knows, I also suffer from severe coronary artery disease with eight stents, COPD, lung metastasis and metastasis to lymph nodes and chronic gastro-intestinal dysfunctions due to the removal of my esophagus as a result of dysplasia. Presently, I am struggling to walk and am in constant pain. My cancer treatment will be ongoing for a long time with probable surgeries as well.

Accordingly, and since I am self-represented, I respectfully ask the Court if the Hearing scheduled for Aug. 21, 2014 can be adjourned to September 2, 2014 at 10:30AM when Motions for "Dismissal due to health" and "Objection to Siebert and PC Claims" are to be heard. Hopefully by then I will be able to function a little better. Presently, I am physically having great difficulty and experiencing mental disorientation. Traveling even short distances and attempting to partake in any Court contested matters would be an impossible task for me due to the gravity of my medical circumstance. Much of my medical issues have been revealed to the Court by Hospital Records, Surgery and Biopsy Reports, Pet-Ct Scan Reports and Doctor Affidavits.

I thank the Court for its understanding of my situation.

Respectfully,

  
James Couri

cc: D. Richardson Esq.
